Residential Conference, Northants

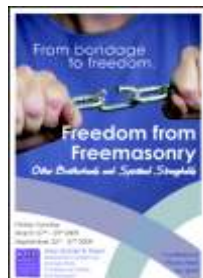

Freedom From Freemasonry

Other brotherhoods & spiritual strongholds

25th - 27th September

If your life, or that of your relatives/forefathers has been influenced by freemasonry, we would recommend strongly that you attend. Then you can be assured that you, and your descendants, enjoy the blessing of God's freedom achieved through repentance and deliverance.

Freemasonry needs specific prayers of authority as it has deep links to witchcraft which many masons don't even know about! Ministry needs to be specific and comprehensive. If you still see things going wrong in your life or the lives of loved ones around you please seriously consider booking.

Liberated at 'Father' Conference

"I attended your meetings on 'Has Anyone Seen My Father?' In N Ireland. Truly Abba Father liberated me from the spirit of death and shame. Thank you Sozo for that wonderful healing I was able to receive from Adonai. I no longer feel isolated and I can't tell you how great that feels!" Anon

Healed of Blindness!

"My husband went forward for prayer for our daughter after your Freedom from freemasonry conference in N. Ireland. She's been completely blind in one eye since last year. Tests couldn't reveal why this had happened. Two days later she experienced a 'strange' sensation in her eye and it started to stream with tears. Suddenly she was able to see some colours! Then two weeks later she could see outlines, edges of trees etc.

Another week on, today, June 1st she phoned us feeling the same strange sensation. We prayed with her and she declared,

"Mum, Dad, I have my sight!"

It has been completely restored! We are so,so thrilled!

And that's not all...

Pain Goes, Strength returns!

My husband has also received a miracle! For ten years he'd had weakness in his legs and painful joints - and now both have completely gone since the conference.

He couldn't climb ladders or anything like that but now he can do all that, and everything else too!"

William & Freda Kerr - Joanne their daughter.

Delivered from Heavy Metal Music!

"In my past, since the age of 14, I'd been heavily involved in 'Heavy Metal' music. I'd already come out of it & knew it wasn't good.

I was shocked how aware the Sozo counsellors were of the depth of the spiritual ties, bondage, & mess that comes with such involvement & how thorough the counsel was that I had.

When I stood up after ministry I felt that a huge weight had been removed from me and felt so clean as if I'd had a complete and thorough spiritual cleansing.

I'm now also free from the constant headaches that I've suffered for years! I'd had many tests without them being able to find out what the cause of the headaches were. I thank God they're gone, I've never felt so spiritually refreshed before!" Anon

God Can Turn Us Around!

"On my first visit to Sozo I came with severe depression, fatigue, & feelings of oppression.

I was warmly welcomed & was able to lay on a mat in the meeting. I started with my face to the wall but this didn't last long. When the worship began I soon turned around & sat-up, feeling the love & presence of God & those around me. Concentration was usually a problem but I didn't miss any of Marion's teaching.

I also had ministry & counselling in the evening. Since then I've continued to receive God's healing & deliverance through His powerful anointing & the love & dedication of your ministry."
