From Panic to Peace!

"Two years ago I had a mighty deliverance from mythology. Previous to that I'd struggled with panic & anxiety whenever I got stressed. Sometimes I was anxious for no apparent reason. There was a great deal of unexplained emotional turmoil going on inside & I felt trapped, empty & alone despite having wonderful people around who loved me.

I found it difficult to face real circumstances & I felt like I was in my own bubble. Everyone else's life was moving along, but mine felt stuck. I was prone to daydreaming, what life might be like if I was in someone else's shoes or what it may have been like if I'd been born at a different time.

Things came to a head & I came to see Pastor Marion. My mind was in such a muddle. After much discussion it became evident to her I needed deliverance from the god of Pan from which the strongman of panic comes... The ministry was deep, & from somewhere I blurted out that that was my name. Indeed, until that time I was called Wendy a name derived from the Peter Pan story about a boy & his friend who never grew up & went off to an imaginary place called Never-never-land. It was a name created in the mind of an author steeped in fantasy & mythology. That day we also dealt with other forms of mythology that had touched my life.

After ministry I felt a huge weight had gone. I was gloriously set free & have enjoyed living in the real world with everyone else since. I am peaceful, I no longer panic & am facing reality with contentment." Anon

This ministry is on the CD £3.50 DVD £6.50 & Tape £2.50 titled; **Come & Live in the Real World** available at the bookstall, online or by mail order.

Sozo Ministries International - Welcomes

Marty Goetz

"LIVE"

Marty Goetz has been called a modern day prophet. His songs are scriptures beautifully set to music, leaving listeners spiritually moved, inspired and educated. With melodic and fresh acoustical/disco arrangements, Marty Goetz has the ability to lead you into a place of true intimacy with God.

In 1962, when thirteen year old MARTY GOETZ stood at the bimah of Cleveland's 'Temple on the Heights' for his Bar-mitzvah and solemnly sang the ancient words of the Torah, no one - least of all Marty - could have envisioned that some twenty years later he would be singing to God, this time as a featured performer at Billy Graham's Rally in Central Park.

Summer Faith School

Theme: Noah & the Ark. We mapped out a life-size Ark on the field, made small models using the right proportions, learnt about how fossils were formed, designed the inside of the Ark & learnt about the rainbow being the everlasting covenant with God! We ended with a presentation of the whole story where

the children took animals into the Ark two-by-two & felt safe inside the Ark! It was powerful to see the story come alive & relate it to Jesus saving us now!

The Point: "Trusting in God when everyone else thinks you are doing something silly. It does work out for the best in the end." **Ben Wylie**

Memory Verses: Genesis 9 v 15-19 Amazingly 26 out of the 33 children memorised them, spoke them out & were suitably rewarded with a shield. Well done to you all!

Thanks: To Becky & team for all your hard work & sacrificial giving of time. The children always love it & the parents...well here is one comment:- "I don't think there's a faith school that goes by without me being moved to tears. I always feel the power of the anointing while I'm there & it always touches my heart." Helen Cary. Well enough said...

Except... what have the children said...?! "I liked putting ribbons on my arms & waving them, & singing A Bow in the Clouds is an Everlasting Covenant." Rachel Benton aged 6. "I enjoyed doing the songs & the dance, The Bow & People Need The Lord." Charlotte Benton aged 6 "I liked designing the Ark & learning how special the covenant is."

Barnabas Cary aged 9 "I loved all of it & chilling out with friends & especially learning about how big the Ark is!" Ben Toach aged 11

Noahs' Ark: 450 ft long (135 m) 75 ft wide (22.5 m) 45 ft high (13.5 m) wow, that's BIG!

Genesis 9 v 15-19 All together now...
