TESTIMONY "I have not come back to earth since the conference! The ministry was so powerful. Two 'words' in particular stood out - one was 'abandoned', the other 'odd one out'. They seemed to pierce right through me & a great dam inside just burst. Tears poured down my face like a river. 2 weeks after the conference my son (who has been tracing our family) told me my mum had died aged 32 and was Jewish.... I nearly dropped the phone. I knew nothing of this having been fostered as a child and yet now, at my age, it is all coming together. I am free - I have come home!" PN MK

Jewish Roots

Saturday, February 21st 2009

9.30am until 5pm

Marion Daniel & team

Sozo Ministries International
Day Conference at
Sozo House, Romsey, Hampshire

This life-changing ministry came about when a Jewish sister in the Lord approached Marion to minister to her regarding an incident with someone in authority.

As we listened to a précis of her past, which included her father fleeing Austria on the 'Kinder Transport' in World War 2, we found that much of the pain she was experiencing was the same pain that Jewish people have suffered as individuals and as a nation for centuries. (See message "Testimony of a Liberated Jew")

When we knew that God had set her gloriously free, we knew that this ministry would be key to all Jews as well as those from persecuted generations.

There is a great deal of silence in the lives of people from Jewish backgrounds that has brought much trauma. This dynamic teaching will bring a great deal of inner healing and release to those who know they are not free.

TESTIMONY "When Pastor Marion prayed for all those who had lost inheritances I felt that something left and I was set free. There were lost inheritances in my family line. I have such a tremendous peace now. Then Pastor Marion prayed about all those who were bowed down and asked people to put their hands on their backs, I did and as she prayed I straightened up. I straightened up - I remained straight and I can look up. I have been tremendously blessed through the Jewish Roots DVD." Anon

TESTIMONY - "I had not found out about being Jewish until later on in my life and my Jewish background was not spoken of until after my Mum came to the Lord aged 85. She found it hard to share things about being raised in a Jewish family so I never related to being Jewish. I knew though I needed the conference. I felt breakthrough from generational curses & persecution, & a weight lift from me. Marion ministered about being a 'stranger in the land' - I felt sadness & deep pain for my mum & grandparents & how this had affected me; ie. not feeling accepted, being the odd one out, struggling to fit in, always holding part of me back from people. As the Lord released me I felt overwhelming peace, & Him healing all the pain & rejection I felt. Pastor Marion asked people to stand if they want to come out of hiding." It hit me... that was it. My true identity had been hiding! My grandfather had even changed our name. I feel complete in Him, I know who I am & I'm praising God for being Jewish, walking with my head held high. This ministry is very powerful & not only for Jews, but Gentiles too. We need to know and understand our Jewish roots. The veil has been taken off my heart & my eyes. I can see & understand more clearly. I feel free to be me. Hallelujah!" RD Hants
