**Saturday, November 18th Booking Now & Online**

Believers can miss out walking in liberty in the fulness of the Holy Spirit because they're **bound to religious traditions!** It's easy to blame the traditions of church **but it can be in our hearts** & we don't know it!

Generations of being stifled with **LEGALISM.** "For laying aside the commandments of God, ye hold the traditions of men..."

Mark 7:8 Don't think because you go to a fellowship & enjoy freedom that you're free! NOT NECESSARILY! Religion hides in hearts!

**Thank You!**  
"I've just banked **£104.84** from the hot drinks donations baskets. Thank you to everyone who has donated. Every little counts!" **Richard - Treasurer**

## Our New Website!

"We have finally launched our new website. We hope you like it as much as we do."

[www.sozo.org](http://www.sozo.org)

went live last Friday and we have had an encouraging response so far from those who have visited.

Our mission was to bring the website 'into today' with all the new things a website can do, but keep it uncluttered, simple and

interesting. We have

been blessed to have two born-again believers working on it, one of which was Mark Helvadjan who actually gave us our very first site, years ago!

The **Sozo Bookshop** is now more a part of the site rather than something that sits alone, and the site integrates a stock control system too, which is overdue. The site is also linked to our facebook page, which is popular and useful for notices and up to the minute information. Making payments has been problematic in the past too but will be far easier now with easier bookings for Conferences, shopping and making tithe and offering payments too.

We have also added a Sozo Cloud. This is a dedicated section that will grow for full time ministers, Pastors etc where we offer access and resource downloads of materials that we print or distribute. This is to help the large number of people from overseas (often third world countries) who write looking for help and resources from us. It is not possible to be posting loads of materials, so downloads can be offered simply and quickly.

Anyway, enough from me. Go there yourselves, have a good look around and let us know what you think." **Alan**

## *The BEST Day of my Life!*

Sebastien age 8 "Faith school had a real impact. The prayer box was a brilliant idea & has given us a focus for discussions & prayers that are important to Sebastien.

Grateful thanks to Emma & the Sozo team for all the hard work, great care & attention that went into it all. As parents we so appreciate & are thankful for the time given." Sebastien's mum.

**Youth Camp**

**Camp Theme WORSHIP!**

The fruit of their 4 days together was so

evident in our Sunday Fellowship Meeting which the youth led following camp. Our faces were on the floor before God in worship and the anointing so strong barely anyone could bring themselves to leave the room a long time after the meeting finished. (see James testimony overleaf)

Some snippets from Camp:- **"Lesley's message challenged me. She spoke on vanity. Things we do that have no value. I have got rid of some things taking my time that were of no value."** "I surrendered myself to God more than I ever have. He revealed Himself to me in a deep way."

**"I cried for the for the first time in a long time which I haven't been able to do."**

**"It was awesome. Peaceful."** **"I had a revelation how much God cares for me..."** **"I dealt with some unforgiveness that had built up over years..."**

A massive thank you to Robert & Lesley for hosting us - also to Sue for helping and especially John, Lizzie, Rachel & Lesley for all they took time to prepare and sow into their lives. Immeasurable!
