### Delivered from the Lies of the Thief!

"For 7 years I hadn't been far from home because of feeling really unwell. Recently I had a full-on time including driving 670 miles, & I was fine! Thanks to those whose prayer ministry was so effective. I spoke to one of your team beforehand & we agreed the M.E. symptoms were false & we needed to seek the Lord for the key to unlock the enemy's hold on me.

I attended your last Healing & Deliverance meeting. Pastor Marion's message, **'Bring My Soul out of Prison'** (available on CD at our bookshop) was so apt. She listed our possible prisons & they are where I've been for years!

During prayer afterwards the key was revealed. I shared I'd been delivered from M.E. during your Freedom from freemasonry day years ago. When 2 years later the symptoms returned, (I now realise through the lies of the enemy) I had no money & I'd gone on sickness benefit. Revelation! I was trying

to claim my healing whilst claiming to be sick! I realised I needed to come off the benefit. As I said it I felt my chest tighten, & I said, "But I'm afraid" & burst into tears. The person praying shared his testimony about stepping out in faith, & they prayed.

**SINCE THEN I'VE FELT WONDERFULLY WELL not just from the M.E. but so much calmer too!** I've cancelled the sickness benefit!"

**FELLOWSHIP SUNDAYS** 10.30am - 1.00pm: Held on the other Sundays around our monthly healing & deliverance meetings (see below). Come & join us to worship & hear God's Word. Prayer ministry is NOT offered at these meetings. **N.B. Note timings.**

**Healed of Incurable Blood Disease!**

"I was told I had an incurable blood disease since I was a child. As the Drs said nothing could be done, I'd never paid much attention to it despite the high level of virus within my blood.

Recently I was told medication was available now but with many side effects & no guarantee of complete healing. I didn't want any of this medication. Many people prayed for me, I stopped eating pork & shell fish, & spent more time in the Word of God. **God healed me! The latest blood test result shown the virus level dropped dramatically within three months! 'Sozo' is true, God wants us to be saved, healed & whole! Praise the Lord!**

**GREAT TESTIMONIES from Care & Prayer Appointments**

"I felt my time was **amazing** and I'm seeing **great fruits** in my heart and life. I can honestly say **things were broken off and deep inner healing took place.**"

"Initially I wasn't sure of what to speak about/or request prayer for. When I spoke to the women of God **we were able to pin point some areas and break things.** It was refreshing!"

"I really enjoyed my time, the atmosphere was so welcoming! **My inner healing session really broke the yoke of things that I rarely speak about.** Thank God for the ministry team!"

"It was incredible! It was like something lifted off me and I had **peace.** I believe things were broken off and I thank God for His grace."
