A MIRACLE! Delivered AND Healed!

A couple attended our Freedom from Freemasonry Conference at the weekend from afar. They had to face significant physical, spiritual, mental and emotional challenges to get here. With prayer and God's help - they made it. He made a way! **Here's the fruit!**

Husband: "I've been completely healed of fibromyalgia - the pain and swelling from my whole body has completely gone and remains the same a week later! Also my paranoia has gone! I feel lighter, I'm just light like there is no burden on me. Been fantastic! Amazing! I never knew the bondage was so bad

until now I'm feeling & knowing the difference! I don't know how I have survived. I FEEL FREE. MY MIND IS CLEAR. I'm not walking around with a 'ton of bricks' on my head anymore! I am spiritually sharper too discerning things right away.

My wife: (This lady arrived here having a panic attack.)

Previously couldn't be in a room with more than 5 people. Unable to cope in exposed or enclosed places. She couldn't sit by the windows on planes or buses etc..

Now, her social anxiety has completely GONE! The bondage has just gone. She automatically went and sat in a window seat this week and didn't have a problem at all. It's like it had never been there."

GLORY TO GOD!

"I was a mason, so were my father and grandfather. This was my second time of coming to this conference and this time I feel **COMPLETELY RELEASED!** There was so much I didn't even hear last time that was relevant to me because of the spiritual battle."
These 3 people looked TOTALLY different and positively shining the next day at our fellowship meeting!

The Blessing of Quality Time to Share and be Helped

"We just want say a big thanks for your time on our Care & Prayer appointment. We came feeling dried, discouraged and exhausted. We had a lovely time. The ministry was a great blessing for us. We were welcomed in a special way, the love and kindness that was showed through the team really touched our hearts. Thank you for everything that was given to us. Pastor Marion is an incredible woman, very anointed, wise and full of compassion. We loved the time. May God bless you abundantly. Our love to the team." See above for dates.

Our Sad Loss but Heaven's Gain!

Joan Plowman At age 89 our dear sister Joan has gone to be with the Lord. We give thanks for her late husband Denis & Joan who served in this ministry at Kingford Hill many years ago. We have some wonderful memories of these esteemed servants of God & anointed times together. Our hearts & prayers go out to the family.

Ann Ingle Our thoughts & prayers are with Nigel, Jane, Will, Hatty & Dan, also Nigel's Dad Al, at the sad loss of Nigel's mother Ann. We were so glad she came to know the Lord as her Saviour & she enjoyed fellowshiping with us many times over the years. A much loved sister in the Lord.

Dave Crawford We also bring the sad news that our brother Dave has gone to be with the Lord. It is of course countered with the joy & peace of knowing who he is with. Our hearts go out to Marie & their family. Many of you will recall fond memories of them at our meetings & conferences. Dave superbly led some of our Freedom from freemasonry ministry days with Alan & they hosted us to minister in the Wirral drawing people needing this help from wherever they could. He was always such a willing servant full of zeal & a friend in so many ways over the years. We will miss him.
