Exposing Religious Hearts

Saturday, 18th November Registering Now & Online

Believers can miss out walking in liberty in the fulness of the Holy Spirit because they're **bound to religious traditions!** It's easy to blame the traditions of church **but it can be in our hearts** & we don't know it! Generations of being stifled with **LEGALISM.** "For laying aside the commandments of God, ye hold the traditions of men..." (Mark 7:8) Don't think because you go to a fellowship & enjoy freedom that you're free! NOT NECESSARILY! Religion hides in hearts!

Hanukkah December 17th

One lovely facet of Jewish culture is family. Any excuse for a get together seems to be the rule of thumb and we want to embrace that vision here at Sozo. Hanukkah is just around the corner.

Why not come and join us on December 17th for our Hanukkah service and celebration meal. But hurry to put your name down. First 85 places get a table (and a meal)!

Sleep & Digestion Healed!

"Thank you all for helping me at your Healing & Deliverance meeting. **Before then I would wake up at 2/3am & struggle to get back to sleep. Now I'm getting at least 7 hours uninterrupted sleep, hallelujah!** Also I was struggling to eat more than one small meal a day. Since the meeting I've had 3 good sized meals a day, along with snacks. My energy levels & productivity has increased massively. The fruit from the prayer ministry has unfolded daily & has had a big impact on my relationship with the Lord. I've also seen relationships supernaturally restored. I can't thank you enough, & obviously Jesus for allowing it to happen!"

Generational Insomnia Broken!

"Since childhood I had suffered from generational insomnia. **On your Freedom from Freemasonry Day insomnia was addressed & the Lord set me wonderfully free.** I slept really well that night, but the Lord had not finished with me. The next night I woke in the early hours. I realised I'd got into the habit of being anxious about not getting enough sleep. I repented & came out of agreement with that & went back to sleep.

The next day I felt much more relaxed. The physical tiredness had disappeared. My energy is increasing & I'm doing things without fear of tiredness.

Praise God!"

Dan & Hatty

It is SO lovely to have Dan & Hatty, our remarkable missionary couple to the street children in the Philippines amongst us again sharing what God is doing. It is our privilege to support them. They are bearing much fruit. Here are their key points to glorify God & bless & encourage us with our support. "Everyone on our outreaches is hearing the Gospel & responding. *Basketball evangelism is NEW & has over 100 youth. *We're feeding on average over 250 youth & children every week. *Back-to-school program has grown & we've just started supporting an orphan. *Our new home is finished downstairs & we've moved in. Dan has nearly completed 6 months at Bible college too! We thank the Lord for all your support, love & prayers!" Love Dan & Hatty *If you'd like to support them in their amazing God-appointed ministry you can be sure the money will be well appropriated. They are exceptional stewards often to the sacrifice of themselves, such are the obvious needs where they are. Do speak to them today or contact the office. Also see their blog www.beingamissionary.weebly.com*

Accepted Not Rejected

"Thank you for your prayer ministry. It was spot on & I feel like I've come out of a bad dream. The curse of rejection was broken off me." Anon

Brian Thurston: Some of you would remember Brian & Ruth Thurston at Kingford Hill. We have happy memories. Ruth has shared that Brian has now gone to be with the Lord. Let's be praying for her as we reflect on their life & ministry together.

Jane Bottom: "It is with sadness and joy that we share that Jane has gone to be with the Lord. Jane travelled for many hours and many miles for many years to be part of our family here at Sozo. She was loved and cherished by so many for her love and generosity not to mention her ability to laugh at life's ups & downs! Jane was also known for being able to have a good chat! We thank God she's at peace now with her Father in heaven. Heaven's gain, our loss. Thank you Lord for Jane's life." **Pastor Marion** *N.B. Family ONLY at the funeral*

Autumn Faith School

"We had so much fun at our **Faith School Day** learning about the power of our words. The toothpaste challenge was a highlight, where we learnt how easily words fall out of our mouths and how hard it is to deal with the sticky mess they might leave behind. God wants our words to be pleasant as a honeycomb!" **Emma - Leader**

Never, Never, Never Give Up!

"I attended your powerfully anointed Freedom from Freemasonry Conference. My marriage was a very toxic marriage of control with violence & mental cruelty. Praise God I was set free from the trauma and memory. I feel so released; I could have swung from the chandeliers. There is so much peace. I was astounded at all that was prayed through covering our generations & families. I have so much to thank God for and give Him all the glory! God is also healing me through your meetings & Marion's CDs **Hidden Abuse & Pierced Heart & Soul** which are amazing." CDs available.
